

Options

These are some of the more popular options that our customers have the opportunity to choose from when designing their custom Wilding Wallbeds

Wilding Wallbeds®

Studio Series

The Studio Series beds utilize our Spring Lift Mechanism. These all wood beds include a commercially rated metal mattress surround which allow for twin, full, queen and king size options. The Studio Series cabinets are constructed using the full access European design. Drawers include full extension glides on all wood, fully captured drawer boxes.

Dakota

When "less is more", the minimalist design of the Dakota might be the perfect fit for you. This exceptionally affordable all-wood wallbed, showcases the most simplistic of all our designs.

Cabinets

Customize the look of your Wallbed with our wide selection of cabinetry. With your choice of drawers, slide out trays, wardrobes, and shelving you can truly make your Wilding Wallbed one of a kind

Scape

Your overnight guests will appreciate the Scape for its modern and beautiful look, ease of use and comfort. This contemporary, modestly priced Wallbed will turn any room into a comfortable bedroom or multi-use room.

Drop Down Table

This unique Drop Down Table is Designed to attach to the face of most vertical Wilding Wallbeds. This creative option is a great way to make your space work for you.

Studio Desk

Turn your guest room into a functional and comfortable office space by adding our optional Studio Desk. We're confident that you will love this option.

Remington

The Remington Murphy Bed exemplifies a simplistic and delightful design. The all wood construction and solid wood face trims present a feeling of warmth and charm.

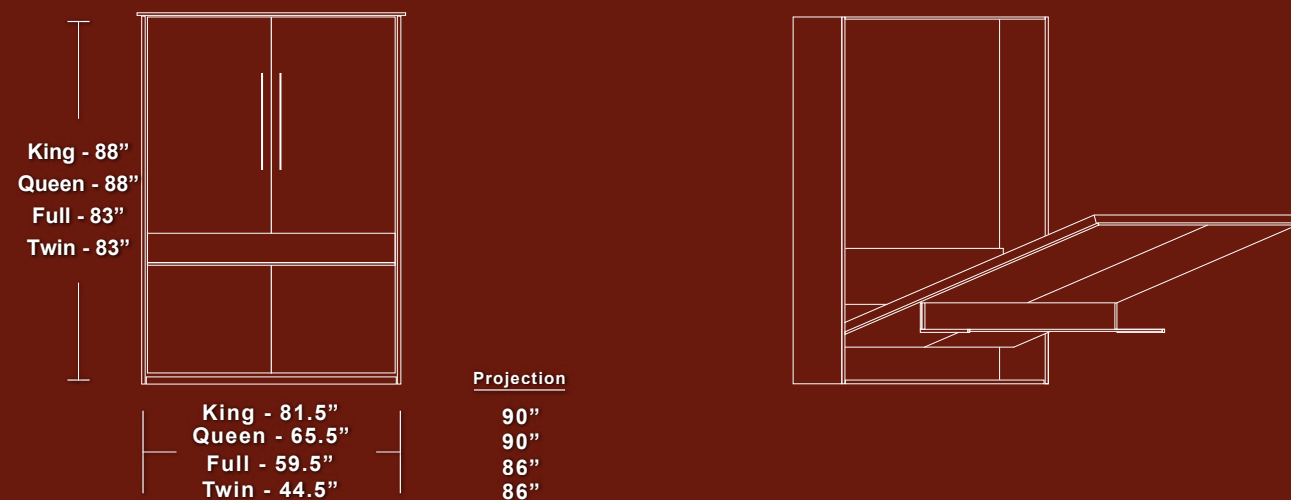

Newport

The Newport Murphy Bed employs a tasteful eight-panel, solid wood trimmed face, complimented by crown molding and great-looking bead board detailing. This model will add beauty and functionality to any room of your house.

The Studio Desk

Studio Desk: 21" D
8" desk clearance

Park City

The Park City Murphy Bed captures the essence of both luxury and rustic comfort that is reminiscent of the Mission-style furnishings design of the early 1900's. Featuring the warmth of all wood construction and solid wood trims.

Chesapeake

The Chesapeake provides a familiar Eastern Seaboard feel. The bed face features a unique vertical version of the age-old ship-lap, planked wood design. A popular choice due to its eye-catching, yet casual, comfortable design.

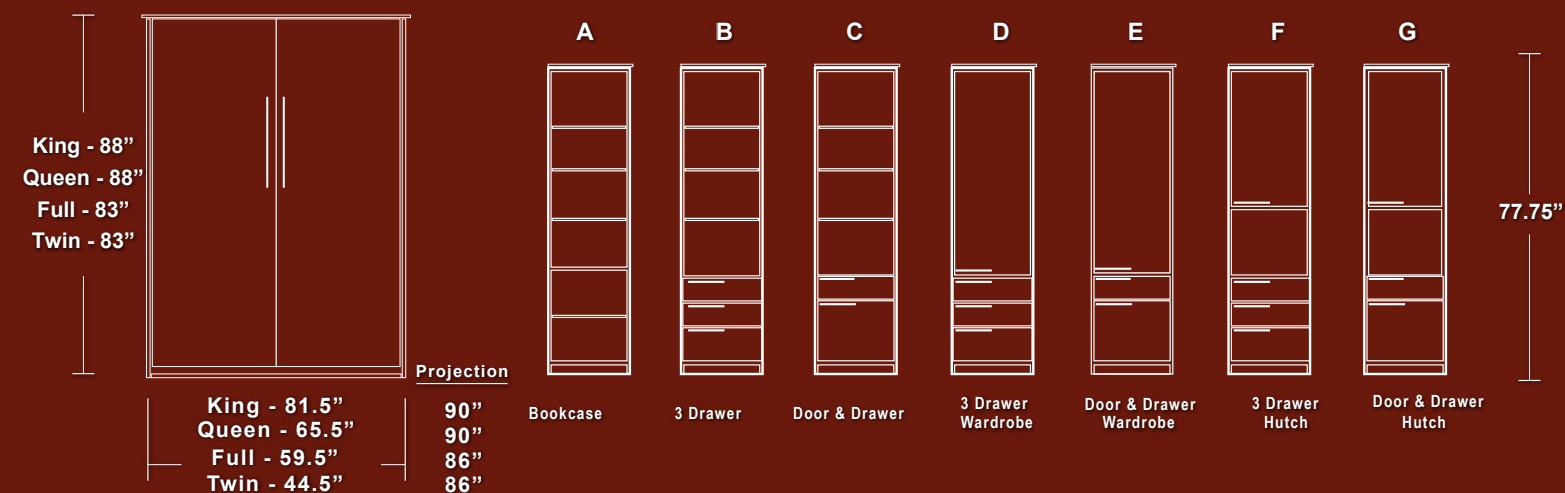

Santa Fe

The Santa Fe Murphy bed is a delightful old American Craftsman style bed. The face design is achieved by interlocking parallel solid wood trims that give the bed an artisan or modern feel depending on the wood type and color selected.
