

HOW TO CHOOSE THE PERFECT DESK MURPHY BED

By  Wilding Wallbeds

There are many options for selecting the perfect Murphy bed with a desk, this guide will help you sort out what is important to you and which option will create the best solution for you and your guests.

OPTION 1 **BEST OVERALL** Murphy Desk Beds

RATINGS

BEST FOR:

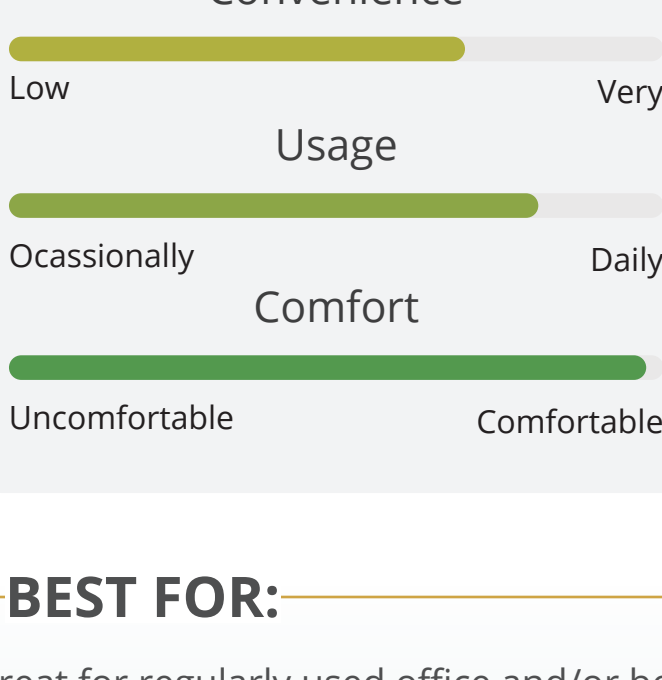

Best overall Murphy bed with Desk experience. Especially great for offices used regularly.

SPECS

- The Murphy Desk Bed is the best of the best when it comes to Murphy Beds with a desk.
- Always-level desk allows you to leave everything on the desk when using the bed.
- The desktop on a Queen is 25.5" D x 80" L.
- 17" of vertical clearance on the desktop means you can leave anything 17" tall or less on the desk without needing to remove them to use the bed.

OPTION 2 Studio Desk

RATINGS

BEST FOR:

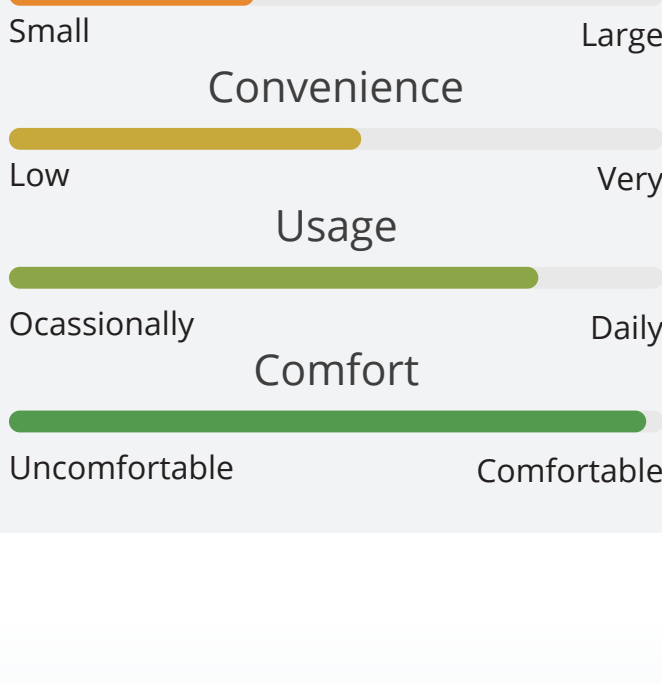

Great for regularly used office and/or bed with limited desktop devices.

SPECS

- Always-level desk allows you to leave everything on the desk when using the bed.
- The desktop on a Queen is 20.5" D x 65.5" L.
- 8" of vertical clearance on the desktop means you can leave anything 8" tall or less on the desk without needing to remove them to use the bed.
- Standard direction of sleeping with body perpendicular to the wall.

OPTION 3 Drop Down Table

RATINGS

BEST FOR:

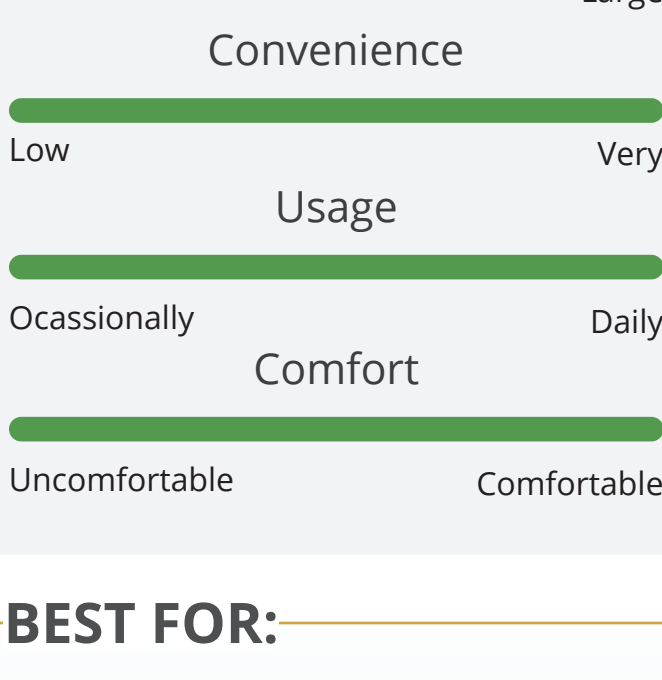

Access on three sides of the table makes this great for sewing and crafts.

SPECS

- Three sides of table are accessible, making this perfect for a sewing table.
- Table sizes vary from 36-42" W x 30" L.
- Standard direction of sleeping with body perpendicular to the wall.

OPTION 4 Custom Home Office

RATINGS

BEST FOR:

The ultimate home office and Murphy bed combination.

SPECS

- Unlimited desk space
- Unlimited storage space
- Totally customizable to meet your functional needs.
- Bed and desk can be used simultaneously
- Can be cost prohibitive.
- This is a spectacular option if you have the space for it.
